THANK YOU!

On behalf of the board of directors and staff of Utah Open Lands, I wanted to express my gratitude for your support of this organization's Toll Canyon project. With your help and the help of your neighbors, we will hopefully be announcing this, as our latest land preservation success. Your donation of \$5000 to this project will help us reach our \$250,000 goal preserving this land in perpetuity.

For the community, beyond the acres and acres of wildlife habitat (Moose, Black bear, Mule deer, and Flammulated owl) and undeveloped scenic vista most visible from I-80 and adjacent subdivisions, critical community recreational trail connections will be made possible if this land is protected.

Utah Open Lands' stewardship of over 55,000 acres throughout the state will hopefully soon include Toll Canyon. We can't do this alone – your support has put us on the path to its protection. I look forward to continued updates on our progress.

Sincerely,

Wendy Fisher, Executive Director
