

Agenda: 2017 Annual Community Meeting, November 14 at 7pm

- Start time at 7:10pm
- Introduction (Mark) - 10 minutes
 - Introduce yourself
 - Set the stage for what we'll be covering
 - Importance of dues
 - Talk about real estate trends in the neighborhood
- Treasurer's report (Jackie) - 10 minutes
 - Year in Review - dumpster days, traffic signs, stickers, etc.
 - See financial report
 - Dues
 - Tree bounty
 - Signs we've posted
- Updates from Basin Rec (Jess) - 15 minutes
 - Firewise - Basin Rec is engaging in another fire mitigation project right now. Fully funded through federal grants, setting up a fire break
 - Installed a breakaway gate
 - Suggestion: get a sign for emergency access/exit routes
 - Creek trail - trail maintenance - please leave the slash piles, they are there to restore the routes
 - Management plan on Toll Canyon is two years old and it's updated every ~5 years
 - Most of Toll Canyon is only hiking only, Jeep roads up to the Summit
 - Working on designing and implementing stage for the trails that will connect WOS and Toll Canyon - will be multi-access
 - Hope is to reduce traffic and parking up on Summit Park
 - Discovery Development Project - behind the Wileman School
 - Basin gets a 1 acre parcel for a trailhead and then 40 acres of open space - planning to connect that to Summit Park
 - Trailhead will have parking, bathroom (behind Wileman school)
 - Hope to build more trails in that area as well after - hiking only and multi use trails
- Traffic updates (Fran and Brandon) - 15 minutes
 - Brandon Brady
 - Three traffic studies over the last year
 - Traffic calming committee
 - Two of the three areas don't fall within the parameters to qualify for the program
 - Put up curve signs and 25 mph signs and "slow children" signs + sharrows
 - Improved Parkview over the last 6 years - trying to widen to 24 feet, giving peds more room to walk but also increased speeding
 - Putting up own speed humps - please do not, the county confiscates them; they can become dangerous because they are only loose
 - Noise of trucks going down the streets for construction - can we put any restrictions? Can't restrict as long as they are legal loads on public roads
 - There is a noise ordinance
 - If we want signage, HOA can ask about that
 - Signs for 1-80 - HOA to follow up on that
 - Safer bus stops for kids
 - 2 on Parkview - under review to see how they can make it safer

- How do parents support that and support you on that? HOA to do that?
 - Is there a way that we can make ped walking
- Safety and fire update (Mike) - 15 minutes
 - Fire break update
 - Finishing up the fire break in toll canyon
 - What neighbors can do to their own lots, etc.
 - Winter and chimney safety
 - Ask for volunteers to be in a fire committee
 - Noxious weeds - garlic mustard
 - Need to pull
 - HOA of Timberline - talking to them about moving the rock in their access
- Ways to get involved (Megan) - 5 minutes
 - Sign up for email newsletters
 - Like our page on Facebook
 - Visit our website: summitparkutah.net
 - Join our meetings every first Tuesday (second Tuesday in January and July)
- Q&A and suggestions from residents - 50 minutes
 - Suggestion via Facebook: carpool lists for SLC
 - Two new bugs in the neighborhood
 - One is attacking everything
 - One is attacking just firs
 - Water any tree that is in trouble
 - Top of the tree dies first
