Board members present: Lauren, Jackie, Fran

Treasurer's report

Mike to look at tree removal by Low Stump

Abandoned car on Innsbruck Strasse may be on county land; also a shed with broken windows may be on county easement; Jackie will investigate; Brandon Brady said if the car is on county land, he can call someone to tow it.

Meeting of board members set to discuss amendments to bylaws – May 8, 7:00 p.m., Lauren's house.

Schedule: Propose amendments at June community meeting. Vote at July meeting.

Dumpster Days – Jackie getting Salt Lake City approval; Fran has reserved 14 dumpsters. Firewise event in progress; same as before with Smokey Bear, FDs and tree service guys; location is a challenge

Brandon Brady (county Public Works) re school bus stops:

Trying to move the current bus stop at Upper Evergreen and Parkview to Lower Evergreen and Parkview, across the street, because space is better; will look into a flashing light at Woodland bus stop.

Sarah Jo Dickens reported on garlic mustard control; passed out letters of information; consent forms needed by May 12; she has grass seed to give out to choke out garlic mustard; email her at [ecologybridge@gmail.com](mailto:ecologybridge@gmail.com) or call her at 303-549-2089.

Public transportation question: the county is considering folks calling for a ride from a small van; pickup possibly at Parkview, Aspen, Maple

Meeting adjourned 7:50
